Qualification website <https://www.ocr.org.uk/qualifications/gcse/geography-b-geography-for-enquiring-minds-j384-from-2016/specification-at-a-glance/> this includes the specification, past papers, mark schemes and examiner's reports.

In this subject the best way to revise is by:

- Practice exam questions- focus on command words
- Make revision cards for key words, key processes and case studies.
- Mind map key concepts
- Use the knowledge organisers
- Condense or summarise information into your own words

I can help my child by:

- Ask them to talk to you about what they have learnt in lessons.
- Supporting full attendance in college. This is vital to ensure there are no gaps in learning or exam preparation.
- If absence does occur, please ensure your child completes all missed work.
- Discussing geography in the news
- Creating a revision timetable so your child can plan their time accordingly which will help them to keep track of dates and set tasks
