Computing, Business and Digital Media Home Learning Plan September 23

Year Group	Resources
Yr.7 Computing	• Students should open this link to BBC bitesize and read through the information about E-safety. There are 4 pages. https://www.bbc.co.uk/bitesize/guides/zrtrd2p/revision/1 • Once this information has been read through, there is a test that students should complete and self-assess their personal knowledge based on the information they have learnt. https://www.bbc.co.uk/bitesize/guides/zrtrd2p/test **Make sure that the test is retaken until a 100% score has been achieved!**
Yr.7 Computing (From 24th September 2023)	• Students should open this link to BBC bitesize and read through the information about Online Dangers. There are 3 pages. • https://www.bbc.co.uk/bitesize/guides/z9p9kqt/revision/1 • Once this information has been read through, there is a test that students should complete and self-assess their personal knowledge based on the information they have learnt. https://www.bbc.co.uk/bitesize/guides/z9p9kqt/test • **Make sure that the test is retaken until a 100% score has been achieved!**
Yr.8 Computing	• Students should open this link to BBC bitesize and read through the information about E-safety. There are 4 pages. https://www.bbc.co.uk/bitesize/guides/zrtrd2p/revision/1

	- Once this information has been read through, there is a test that students should complete and self-assess their personal knowledge based on the information they have learnt. https://www.bbc.co.uk/bitesize/guides/zrtrd2p/test **Make sure that the test is retaken until a 100% score has been achieved!**
Yr.8 Computing (From 24th September 2023)	- Students should open this link to BBC bitesize and read through the information about Online Dangers. There are 3 pages. - https://www.bbc.co.uk/bitesize/guides/z9p9kqt/revision/1 - Once this information has been read through, there is a test that students should complete and self-assess their personal knowledge based on the information they have learnt. https://www.bbc.co.uk/bitesize/guides/z9p9kqt/test - **Make sure that the test is retaken until a 100% score has been achieved!**
Yr.9 Computing	Students will be completing work this year on artificial intelligence in Computing lessons. This will provide a starting point to this year's learning and get students thinking about how artificial intelligence could impact on their lives. - Read the information and watch the video about Chat GPT via BBC Bitesize https://www.bbc.co.uk/bitesize/articles/zc9kqyc - Once complete, try the artificial intelligence quiz https://www.bbc.co.uk/bitesize/articles/zqnwxg8 **Make sure that the quiz is retaken until a 100% score has been achieved!**

Yr.9 Computing (From 24th September 2023)	• Students should open this link to BBC bitesize and read through the information about the impact of computer Science regarding legal, ethical and environmental issues. There are 9 pages. https://www.bbc.co.uk/bitesize/guides/zhx26yc/revision/1 • Once this information has been read through, there is a test that students should complete and self-assess their personal knowledge based on the information they have learnt. https://www.bbc.co.uk/bitesize/guides/zhx26yc/test **Make sure that the test is retaken until a 100% score has been achieved!**
Yr.9 Digital Business	• Students should open this link to BBC bitesize and read through the information about The Dynamic Nature of Business. This includes information about how a business will use technology. Students can also look at the video which is provided. There are 6 pages. https://www.bbc.co.uk/bitesize/guides/zm4krj6/revision/1 • Once this information has been read through, there is a test that students should complete and self-assess their personal knowledge based on the information they have learnt. https://www.bbc.co.uk/bitesize/guides/zm4krj6/test **Make sure that the test is retaken until a 100% score has been achieved!**
Yr.9 Digital Business (From 24th September 2023)	• Students should open this link to BBC bitesize and read through the information about Risk and Reward. Students should also look at the video which is provided. There are 2 pages. https://www.bbc.co.uk/bitesize/guides/zjjtmfr/revision/1

	• Once this information has been read through, there is a test that students should complete and self-assess their personal knowledge based on the information they have learnt. https://www.bbc.co.uk/bitesize/guides/zjjtmfr/test • **Make sure that the test is retaken until a 100% score has been achieved!**
Yr.9 Digital Media	Students should find out about The Media Industry which will be a great introduction to their Digital Media course this year. • Students should open this link to BBC bitesize and read through the information about The Media Industry. There are 3 initial pages and several other sections they should read through (right hand side). All sections have videos and tests to complete https://www.bbc.co.uk/bitesize/guides/zqrdxsg/revision/1 • Once this initial information has been read through, there is a test that students should complete and self-assess their personal knowledge based on the information they have learnt. https://www.bbc.co.uk/bitesize/guides/zqrdxsg/test **Make sure that the test is retaken until a 100% score has been achieved!**
Yr.9 Digital Media (From 24th September 2023)	• Students should open this link to BBC bitesize and read through the information about 'The History of the Media Industry'. There are 6 pages to read through which will give information about traditional and new media. https://www.bbc.co.uk/bitesize/guides/zhbstrd/revision/1 • Once this initial information has been read through, there is a test that students should complete and self-assess their personal knowledge based on the information they have learnt. https://www.bbc.co.uk/bitesize/guides/zhbstrd/test

	• **Make sure that the test is retaken until a 100% score has been achieved!**
Yr.10 Computing	To recap on what we have learnt so far, click on the click for quick fire questions......(**keep doing them until you get 100%**) https://www.bbc.co.uk/bitesize/topics/zw7cwsg/articles/zc7d239 Recap on Computational Thinking, read pages 1-3 and then take the test, remember you can **keep taking the test until you get 100%** https://www.bbc.co.uk/bitesize/guides/z4rbcj6/revision/1 Recap on **Designing, creating and refining algorithms** pages 1-5 and then take the test, remember you can **keep taking the test until you get 100%** https://www.bbc.co.uk/bitesize/guides/z6m7xfr/revision/1
Yr.10 Computing (From 24th September 2023)	• Students should open this link to BBC bitesize and read through the information about the impact of computer Science regarding legal, ethical and environmental issues. There are 9 pages. https://www.bbc.co.uk/bitesize/guides/zhx26yc/revision/1 • Once this information has been read through, there is a test that students should complete and self-assess their personal knowledge based on the information they have learnt. https://www.bbc.co.uk/bitesize/guides/zhx26yc/test **Make sure that the test is retaken until a 100% score has been achieved!**
Yr.10 Business	• Students should open this link to BBC bitesize and read through the information about The Dynamic Nature of Business. This includes information about how a business will use technology. Students can also look at the video which is provided. There are 6 pages.

	https://www.bbc.co.uk/bitesize/guides/zm4krj6/revision/1
	• Once this information has been read through, there is a test that students should complete and self-assess their personal knowledge based on the information they have learnt. https://www.bbc.co.uk/bitesize/guides/zm4krj6/test **Make sure that the test is retaken until a 100% score has been achieved!**
Yr.10 Business (From 24th September 2023)	• Students should open this link to BBC bitesize and read through the information about Risk and Reward. Students should also look at the video which is provided. There are 2 pages. https://www.bbc.co.uk/bitesize/guides/zjjtmfr/revision/1 • Once this information has been read through, there is a test that students should complete and self-assess their personal knowledge based on the information they have learnt. https://www.bbc.co.uk/bitesize/guides/zjjtmfr/test • **Make sure that the test is retaken until a 100% score has been achieved!**
Yr.10 iMedia	Students should revise information about The Media Industry which will be a great way of preparing for their exam in this course. • Students should open this link to BBC bitesize and read through the information about The Media Industry. There are 3 initial pages and several other sections they should read through (right hand side). All sections have videos and tests to complete https://www.bbc.co.uk/bitesize/guides/zqrdxsg/revision/1 • Once this initial information has been read through, there is a test that students should complete and self-assess their

	personal knowledge based on the information they have learnt. https://www.bbc.co.uk/bitesize/guides/zqrdxsg/test **Make sure that the test is retaken until a 100% score has been achieved!**
Yr.10 iMedia (From 24th September 2023)	• Students should open this link to BBC bitesize and read through the information about 'The History of the Media Industry'. There are 6 pages to read through which will give information about traditional and new media. https://www.bbc.co.uk/bitesize/guides/zhbstrd/revision/1 • Once this initial information has been read through, there is a test that students should complete and self-assess their personal knowledge based on the information they have learnt. https://www.bbc.co.uk/bitesize/guides/zhbstrd/test • **Make sure that the test is retaken until a 100% score has been achieved!**
