Newsletter

3rd May 2024

Issue Number 15

Dear Families,

Please excuse the absence of a packed Newsletter this week! The Year 11 and Year 13 examination series is moving from practical exams to the written components and all colleagues and students are flat out supporting the build up to this. Thank you to all families who are championing at home and encouraging and soothing where appropriate.

We wish all our students all the very best as they get stuck into this phase of the examinations. You have the full support of Lady Lumley's School!

Student Success

Congratulations to Heidi C.

Last week she travelled to Florida with East Coast Tigers Senior 1 team to compete at the World Championships. The team hit zero runs (no points deductions) in both their qualifying and finals run. They were placed first out of 16 teams at the end of qualifying and went on to win the gold medal and become World Champions in their division. This is East Coast Tigers first time competing at the World Championships.

It is an amazing achievement for Heidi and her team who work hard week in week out at practices.

Student Match Report

On Tuesday, the Year 8 girls rounders team played their first match of the season against Ryedale team A and B. In the first half we saw Ava C doing some amazing batting skills getting us some full rounders. At the end of the first half we drew 5-5 with Ryedale. We started the second half on a roll - getting many of Ryedale out. Martha St caught many people out at her second base - catching and stumping. In the end we lost 13-10 1/2 rounders to Ryedale, but we all put our ultimate effort into the match showing our determination and teamwork throughout the match. We cannot wait to continue to thrive through this season.

Drama News

Matilda rehearsals are going well and the show is really coming together. Students will be off script next week and we are in the final stage of sorting out the set. Watch this space for news about tickets!

We took a group of Year 8 and 9 Drama students to the Grand Opera House in York to see the spooky thriller, **2.22 A Ghost Story**. We thoroughly enjoyed the performance and left the theatre suitably scared!

Maths Challenge News

Before Easter **Joshua A** in year 9 sat the Grey Kangaroo, this is the follow-on round to the intermediate Maths Challenge. me through, a couple of weeks ago we got the amazing news that he had scored a merit which is only awarded to the top 25% in the country. Well done, **Josh**

Just after the Easter Holidays almost 50 Year 7 and 8 students sat the hour-long Junior Maths Challenge online. Earlier this week we were able to share the results with them, with a very high proportion of the students being awarded Bronze, Silver, and Gold Certificates.

In Year 7 **Jack D** was awarded the Gold Certificate in addition to Best in Year. In year 8 **Thomas S, Oliwier M, Alfred M and Tymon Z** were all awarded a Gold Certificates with **Thomas S** also awarded Best in School with an outstanding score of 117.

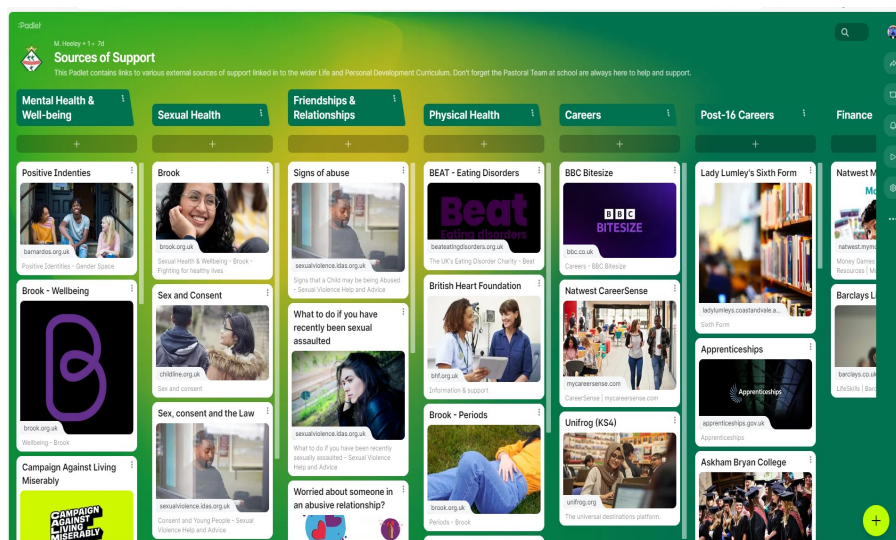

The bar was set high to qualify for the next round; and four students have qualified for the next round of the competition the Junior Kangaroo

That wraps up the UKMT Maths Challenges for this academic year, but I hope to see even more students participating next year.

Year	Bronze Certificate	Silver Certificate	Gold Certificate

Sources of Support

To support students' personal development and pastoral needs outside of lesson, we have developed a one-stop link for a range of subjects, from mental health to domestic abuse, making healthy lifestyle choices and careers guidance. This can be found at www.padlet.com/mheeley1/support11s This is very much an evolving document aimed at both students and parents/carers, so if you think there is anything missing, do please contact Mr Heeley.
