Issue Number 17

Dear Families,

Year 11 and Year 13 have come back after half term into a demanding week of examinations and continue to take advantage of all the support available through Booster and Breakfast sessions. Year 10 and 12 are also into PPE's and Year 9 preparing for their experience to start.

Whilst we focus on assessing all our students progress and learning we are also offering great breadth of Enrichment. Sports Day preparation has started through assemblies this week with our 6 Houses drawing their teams together. Rehearsals for the production of 'Matilda' intensify as the performance creeps closer. Through assemblies next week, Mr Davis will be sharing some of the OFSTED report and thinking with our students about how we all continue to work towards 'Being our Best' whilst being proud of being part of a 'Good' school. Our improvement plan will include Lady Lumley's relationship with Delta, as outlined to families by Paul Tarn, CEO. For now, all our focus remains on supporting Year 11 and Year 13 through the examination series. Clair Foden

June news from the Library

Welcome back from your half term break!

The big news in the library is that we now have our very own *Little Free library* outside the school gate! Huge thanks to the DT department, especially Ms Armitage, who put in many hours of planning and building to create this lovely library box that will soon be filled with books – free for anyone to take and read, or to add to with books of their own that they are happy to donate. It's all in an effort to spread the love of reading and to contribute to our great community spirit. If you've not heard of this amazing, global organisation, follow this link to read on – we're hoping this will be the first of many to come to our Pickering neighbourhood.

I hope you all managed to spend some time between the pages of a book during half term – I took home a book from the Lumley library shelves and really enjoyed reading about Jay and her struggles with fitting in at a new school, finding new friendships and being brave enough to choose to be true to herself. It's back on the shelves, so check it out and see what you think.

June is Pride month - "Pride is a celebration of people coming together in love and friendship.." (BBC.co.uk/ newsround)

Part of being a member of the Lady Lumley's community is a commitment to accepting and celebrating everyone and in the library my job is to try and make sure our books reflect the diversity of our school, our North Yorkshire community

and the wider, global community. I'm happy to help our readers find books that celebrate who they are or help them to find out more about people who might have a different life experience. As we all know, reading is wonderful for mental health and the broader your reading diet, the better your understanding of the world. As always, email me with questions or comments and I wish you *Happy Reading! Ms. Rueth*

Athletics Trials

58 students from Year 7 to Year 10 took part in the recent athletics trials at Malton School. Every student took part in at least one event including both track and field events . A large number of students have now qualified to represent Whitby and Ryedale in the Town v Country athletics competition at the University of York on Wednesday 12th June.

Congratulations to all students who were involved.

Police and Parents Evening - Thursday 20th June 6pm Pickering Memorial Hall

The event hopes to provide parents and guardians, including grandparents, carers of the Pickering area the opportunity to engage with their local policing team.

We hope to have a discussion around young people's Anti-Social Behaviour, which **TOGETHER**, **WE'VE GOT IT COVERED** will be the focus, as well as providing an opportunity to raise awareness of some of the contemporary risks facing young people, such as the frequent concern of THC/Spice vaping.

Further, a unique opportunity for parents to approach the local policing team specifically.

The evening is completely free, casual, and shouldn't be too long – an hour or so perhaps. Support and funding has been provided for this event from North Yorkshire Council.

Book DENNIS KELLY Music & Lyrics

Starring REVOLTING STUDENTS FROM Y7 - 12 Directed by DASTARDLY TEACHERS

This amateur production is presented by arrangement with Music Theatre International All authorised performance materials are also supplied by MTI www.mtishows.co.uk Orchestrations and Additional Music by Chris Nightingale We have an exciting opportunity for Young People aged 10-25 to join the North Yorkshire Youth Commission

I'm pleased to share with you a new opportunity for students, in partnership with the Office for Policing, Fire, Crime and Commissioning and the newly formed York and North Yorkshire combined Authority.

The Youth Commission work in partnership with authorities to explore urgent Police, Fire and Crime issues affecting young people in North Yorkshire, such as Gender Violence, Hate Crime, Mental Health and Online Safety.

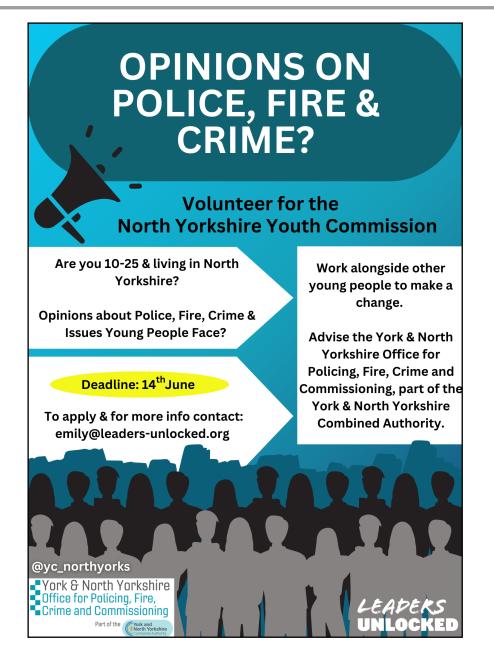

We're looking for a diverse group of young people from different backgrounds and life experiences to take part, including those who have direct experience of the issues or are part of traditionally underrepresented groups.

This is a brilliant opportunity for young people to **gain new knowledge, skills and experiences** that focuses on listening to the views of young people in North Yorkshire. Members of the Youth Commission will play an important role in helping to run consultation events and gather the opinions of other young people.

I would appreciate it if you could share the opportunity amongst your networks and encourage any young person who you feel would benefit from this experience to apply.
