

Weekly Wrap-Up

Friday 13th September 2024

Important Info

Week commencing 16.09.24 - Menu Week 3

Information on Flu Vaccinations will be sent home next week.

We are still trying to resolve some payment issues within MCAS. Thank you for your patience whilst we find a solution.

Newby and Scalby Primary School aim to be a Nut-Aware school. Please do not send items containing nuts into school

Update from the head

Hello everyone,

What a fantastic week it has been at Newby and Scalby!

The children have been so excited around their learning, especially when speaking with me about their Talk for Writing hooks. This week has seen owls in school and Y1 entering the school woodland to search for clues about what they will write about. Some classrooms have become crime scenes. I delivered a huge parcel to year two that contained a meerkat. Year 6 even came in to find their classroom in pieces after a monster had visited. The children are now excited and enthralled to write and investigate their forthcoming writing topic.

It has been wonderful to meet more parents/carers, welcome the children each morning and say goodbye each afternoon, as I stand on the KS2 gate. Communication is imperative and is something I am extremely keen to get right. We are not there yet and we will continue to improve. I would like to thank you all for your patience around this and know that we are constantly striving to improve our processes and keep you informed of any changes in a timely and efficient manner

Mr Wriglesworth

Class 0C & 0S

What a lovely week we have had in EYFS! We started the week off with a visit from Neil from Whitby Falconers. He brought along Tilly and Collin and told us lots of facts about owls. The children had a fantastic afternoon; asking questions, listening and holding the owls. This kick-started our Talk for Writing book this half term - Owl Babies. I wonder if your child can retell the story, remembering some of the actions we have learnt? We also took part in our first PE lesson. The children were brilliant at getting changed and following the rules and routines in a new environment. We have also started phonics this week and learnt the first four sounds; S A T P.

Next week we will begin our first maths topic - Matching and Sorting. We are also going to be making comparisons between now and when we were babies and talking about how we have changed overtime. Please email us a photo of your child as a baby and toddler to: EYFS@ns.coastandvale.academy

Year 1

Class 1A & 1S

Oh no! Who has been in our woodland area? This was our question when we received a photo from Mr Dugdale showing what looked to be a blown down straw house and a blown stick house. We fear it might be The Big Bad Wolf!

This 'hook' started the written work we will be doing this term about The Three Little Pigs.

We also welcomed Jigsaw Jack to our class. Jack will be helping us all year with our PSHE. We start by looking at me and my world.

Class 2S & 2MT

The children were excited when Mr Wriglesworth delivered a huge parcel addressed to each class. Inside, we found a letter from Sunny the Meerkat, a copy of the story Meerkat Mail and our very own Meerkat!

Throughout the week, the children have been rehearsing the story, with actions, as part of our Talk for Writing lessons.

In Geography we have been using maps and globes to recap our knowledge of the seven continents and been learning about oceans.

Year 3

Class 3C & 3WR

The children were very excited to come into the classroom on Monday morning to a crime scene which linked to our new Talk for Writing unit - Little Red. The children showed excellent detective skills and were able to make predictions about what might have happened.

In history, we have been learning about BC and AD. We have explored the chronology of some historical eras/key events and have created our own timelines. Did you know that the dinosaurs and humans never coexisted? This is one of the facts we have learnt this week.

In art, we have started to explore cave paintings and have analysed the colours, subjects and tones used.

Class 4S & 4M

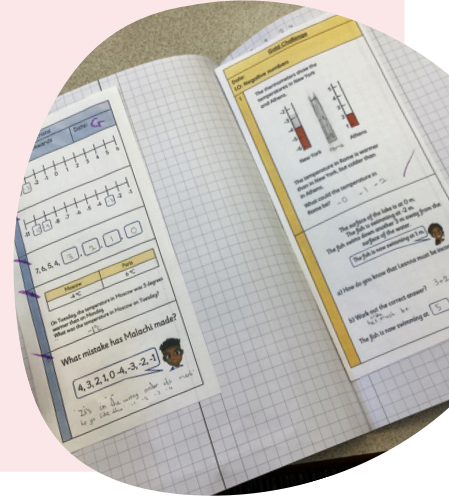

A full week in year 4 has flown by. We have settled in well and now have well established routines.

This week in science we have been learning all about animal teeth. We did not even recognise the image of the snakes fangs! We have also begun learning about the Vikings, thinking about where they were chronologically and who they were.

We have now read three chapters of Edward Tulane and the children are really engrossed in the book.

We did have some mysteries in year 4 this week. Finding part of a mysterious scroll we have been thinking carefully about 'the curse of the golden ring'. The children have been really excited by this which will lead into their writing sessions.

Reminder: PE-Friday PE kit to be brought into school. No earrings please.

Class 5G & 5BT

We have had a busy week of reading in Year 5. The children have been making some great predictions about our new book 'Street Child' and are intrigued to know more after exploring the blurb.

In science we have been learning about the types of eggs animals lay. Some interesting questions were asked. This followed on from our learning last week about life cycles.

The children had to be archaeologists on Monday morning after a mysterious tip off about Roman artefacts in our school grounds. Pottery was found (who knows, maybe Roman?!) but our big find was a golden snake bracelet! This turned out to be just like the bracelet in our Talk for Writing hook! Can the children recall the story at home?

Class 5G's first swimming lesson went...swimmingly! The children were fantastic and once again, the swimming instructors complimented them on their listening skills!

Class 6BA & 6BL

Year 6 have had another busy and jam-packed week. The start to the week was a rather disrupted one: the children had to put together the clues to work out who (or what) had wrecked the classroom over the weekend. The blood spatters, severed fingers, knocked over tables and chairs and brown fur scattered could only mean one thing - a monster had been let loose in the classroom! We hope this will inspire their future writing.

Aside from this, the children have been learning to re-tell the story, 'The Tibicena' by using a story map in their Talk for Writing sessions. 'Black saliva hung from its jaws; two razor-sharp teeth protruded downwards...' They have also started analysing the book, 'Black Powder' in reading sessions. All children will be coming home with a reading for pleasure book also today!

As a reminder, Year 6 have PE on a Thursday. Please could you ensure that children come with their PE kit in a bag, to get changed in school. Children shouldn't come into school in their PE kit.

Attendance

Attendance matters.

Coming to school on time, every day is vital to achieving the best possible outcomes as well as learning good habits which will benefit everyone in the future. Below is this weeks' attendance.

EYFS

Miss Cousins	97.4%
Miss Scott	97.9%

Year 1

Mrs Allenby	94.2%
Miss Scuffham	98.7%

Year 2

Mrs Stubbings	100%
Mrs McGuinness/Mrs Tipple	92.4%

Year 3

Mrs Clayton/Mrs Tipple	99.3%
Mrs Wadley/Mrs Rowe	98.6%

Year 4

Mrs Smith/Mrs Winspear	95.9%
Mrs Murphy	97.1%

Year 5

Mr Bolton/Mrs Trousdale	99%
Mrs Gortzak/Mrs Winspear	97.7%

Year 6

Mrs Bates/Mrs Trousdale	94.8%
Miss Blakeley	97.6%

Week 2 attendance winners

Congratulations to
Mrs Stubbings's Class

Other News

NEW - Attendance Rewards

We are actively promoting and encouraging 100% attendance for all pupils. This week we have introduced some new incentives and rewards for both pupils and classes with excellent attendance.

Each week, the class(es) with the highest attendance will receive a reward and will be asked to look after our attendance owl for the next week. Winners will be announced in assembly each Friday and on the Newsletter.

In addition to this, each week, every pupil who has 100% attendance will have their name put into a raffle, the winning pupil will get to choose a book from Mr Wriglesworth's book shelf. The book will be theirs to keep.

Classes will also have the opportunity to win books for their classroom by consistently achieving 100% attendance.

Collection from school

A reminder that older brothers or sisters in school should not bring or collect younger siblings.

No-one other than named people will be allowed to collect your child from school unless school has been contacted in advance.

Safeguarding

Ensuring our pupils are safe and well looked after is our key priority.
