Update from the head

Hello everyone,

What a fantastic week it has been at Newby and Scalby!

Children have been coming to me all week to discuss the books that they are currently reading and are engrossed by the content. The teachers are clearly enthused as well, with regular Oscar-winning reading performances being seen as I walk the corridors.

Many of the children have begun using Rekenreks this week, in a bid to further consolidate the representation of number. Year 1 are leading the way with this, with some simply wonderful explanations of how numbers can be manipulated.

Thank you all for your patience around the timings of the KS1 and KS2 gates. In the last few days, this has become much smoother, though we are still looking at ways in which we can make the end of the days easier to safely dismiss the children.

Thank you, as ever, for your wonderful support!

Mr Wriglesworth

Class 0C & 0S

This week we have continued to read 'Owl Babies'. We have used positional language to describe where the owls are and adjectives to describe what the owls look like. The children have continued to retell the story using our brand new puppets.

In maths we have been matching and sorting objects thinking about their colour, shape and size.

We have thoroughly enjoyed PE this week. The children are fantastic at getting changed and looking after their belongings. Please can we ask that all clothes are labelled, with a sharpie if possible, so we can reunite your child with their clothes at the end of each day. This avoids items (especially jumpers and cardigans from going missing!

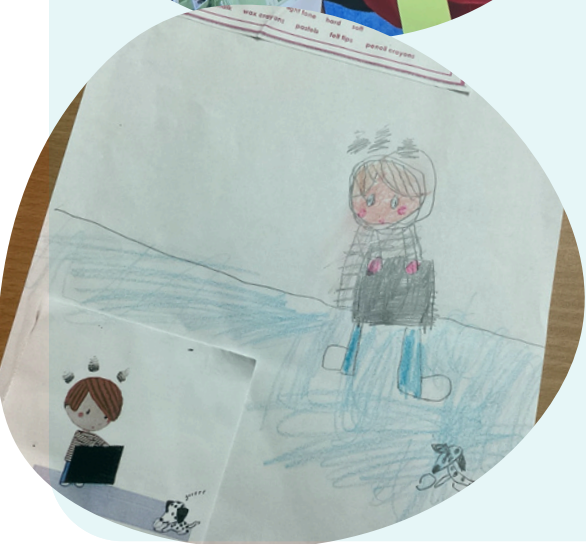

Year 1

Class 1A & 1S

This week we have been very busy retelling the story of The Three Little Pigs. We are starting to use some great language such as 'blazing' and 'unfortunately'.

In geography we have continued to look at maps and what makes a map. A map needs to be a birds eye view, have places on and show a route. Have you used maps at home? In art we looked at different tones and how to create it using pencils and wax crayons.

Every Monday we do PE and we are now learning to get changed for PE. This is tricky for some of us, please could you help your child learn to do this independently at home. Also, please check EVERYTHING has your child's name in. Thank you

Class 2S & 2MT

This week in Year 2 we have been planning our new story, choosing new characters and the problems their character may overcome.

The children have been rehearsing our class story map (ask your child to share some actions!)

In Geography we have been recapping at the countries of the United Kingdom and where they are on the map.

The children enjoyed exploring different mediums in Art and experimented with overlapping different colours of cellophane.

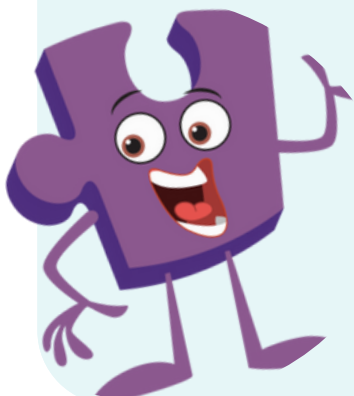

Class 3C & 3WR

This week in Year 3, we have created cave paintings using natural resources such as berries, soil and twigs. Even though it was a little bit messy, the children thoroughly enjoyed themselves and produced some effective pieces of artwork.

In reading, we have been looking at the features of a non-fiction text and how these help the reader. The text we have studied has taught us about some of the issues whales face e.g. whaling and pollution.

In PSHE, we have explored how we can make responsible choices, thinking about the type of school environment we want to create.

The children may have mentioned our new PSHE friend, Jigsaw Jino.

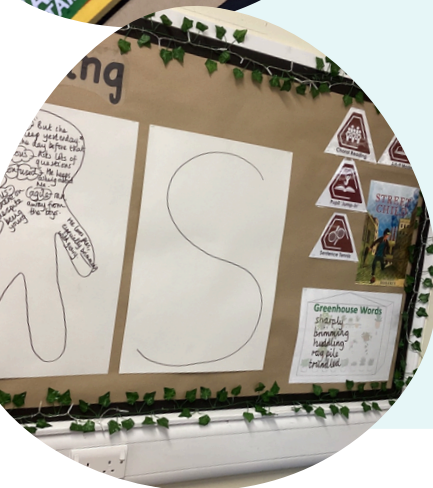

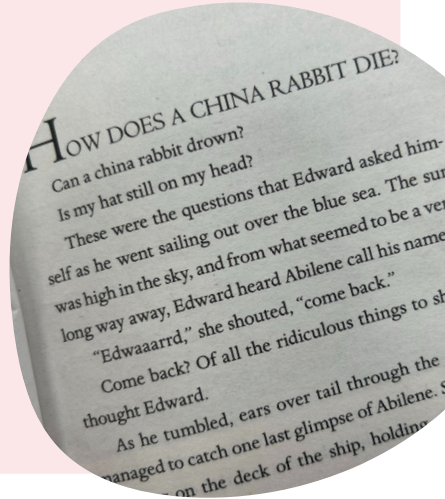

Class 4S & 4M

Year 4 have had another great week! We have finished text mapping our story in English, looked at rounding numbers in maths and Edward Tulane has started his 'miraculous journey' in reading.

We have been looking at our school community in PSHE and concluded that everyone is so important, including you as parents. Thank you for your support at home. We also elected our school councillors this week and look forward to them representing our views this year at school.

In History, we have continued to look at the Anglo Saxons and the Vikings and look forward to our trip to Jorvik next week. Letters should have gone home on the app this week. Please consent and pay via MCAS. We can't wait!

Class 5G & 5BT

In science, we have been impressed with the children's knowledge of how seeds are dispersed. Their engagement in science has been brilliant and we are blown away with the questions they ask.

We have read the next chapter to our class text "Street Child" and looked at how the author makes the reader feel sorry for the characters. The children have been great at referring back to the text.

We are really getting into our History topic of The Ancient Romans as part of our Reading Enhanced Curriculum (REC) and this week have enjoyed learning facts about Julius Caesar and Emperor Claudius. Can the children remember whose invasion was most successful and why?

Class 6BA & 6BL

In maths this week the children have been learning about multiples. A multiple is a number which is in a particular times table, e.g. some of the multiples of 8 are: 8, 16, 24 etc. Any extra practice of times tables at home would really help the children's understanding of this.

In PE the children have been learning about health related exercise and how exercise can have a positive effect on the body. This week's focus has been on flexibility. Maybe they can show you some of the stretches and balances they have been doing at home!

Attendance

Attendance matters.

Coming to school on time, every day is vital to achieving the best possible outcomes as well as learning good habits which will benefit everyone in the future. Below is this weeks' attendance.

EYFS

Miss Cousins	90.3%
Miss Scott	94.5%

Year 1

Mrs Allenby	92.3%
Miss Scuffham	98.3%

Year 2

Mrs Stubbings	98.3%
Mrs McGuinness/Mrs Tipple	95.5%

Year 3

Mrs Clayton/Mrs Tipple	98%
Mrs Wadley/Mrs Rowe	97.9%

Year 4

Mrs Smith/Mrs Winspear	90.3%
Mrs Murphy	97.1%

Year 5

Mr Bolton/Mrs Trousdale	97.4%
Mrs Gortzak/Mrs Winspear	95.3%

Year 6

Mrs Bates/Mrs Trousdale	94.5%
Miss Blakeley	94.1%

Week 2 attendance winners

Congratulations to Mrs Stubbings & Miss Scuffham's Class

Other News

Out of School Activities

Please visit our school website, which is regularly updated, to see a variety of Term Time and Holiday activities available to our pupils. [Click here for more information.](#)

Asthma

If your child may require the use of an inhaler during the school day please ensure you drop one at the school office as soon as possible.

Scarborough Pride

This Saturday, Scarborough Pride will be taking place. All information can be found on their [website](#). The parade will begin from the Brunswick Centre at 11am, heading towards Scarborough Spa. I know that some of the school community will be in attendance so if you're coming along, you may see some of us there.

PRIDE!

Safeguarding

Ensuring our pupils are safe and well looked after is our key priority.
