

Weekly Wrap-Up

Friday 4th October 2024

Important Info

Week commencing 07.10.24 - Menu Week 3

From Monday 7th October there will be a change to the Reception/KS1 end of day collection - Please watch [this video](#) which explains our new procedure

Parents Evening appointments are now available to book via the My Child At School (MCAS) app for 21st or 23rd October. Appointments will be held face to face, in school.

Deadline for World Space Week design a t-shirt competition entries is 9am Monday 7th October. Thank you for all the wonderful entries so far.

Update from the head

Hello everyone,

This week has seen the children begin to create their own narratives, building on their fabulous work so far in class. It has been brilliant to hear the rich learning happening throughout school. My personal highlight was being able to teach in Y3 today, as we described a pesky seagull with hungry eyes as it devoured a delectable hotdog. Lovely!

The end of the day collection procedure for EYFS and KS1 will change as of Monday. After listening to your feedback and after careful consideration, changes have been made that will hopefully make for a more efficient yet safe way to collect children in KS1 and EYFS. Please see the [video](#) for information about how this will look.

Yesterday was a blast as many enjoyed a space-themed lunch. Another highlight was being visited by a few children who were very excited to show me some of their space crafts that were made at home. Such a wonderful thirst for learning!

Thank you, as ever, for your wonderful support.

Mr Wriglesworth

Class 0C & 0S

In PSHE Jigsaw Jenie and Jerry Cat struggled to share the playdough. We talked about ways to solve this problem including; waiting for our turn, sharing a resource and using kind words. We have been praising the children for showing these skills during busy time.

We have also been learning about the importance of brushing our teeth. The children have enjoyed roleplaying as dentists and patients. Again, we have discussed the importance of taking turns with the resources and what we might have to say to one another to act out the scenario.

Year 1

Class 1A & 1S

This week has seen Year 1 continue with or geography learning about maps. We were given a map with a route and had to follow the route to find the treasure. We found the treasure and they were delicious! We will begin to draw our own maps with routes on next week.

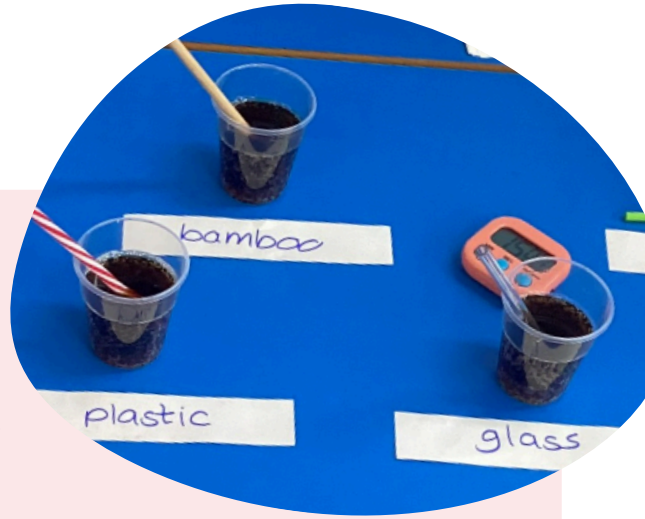

In art we learnt about the collage artist Jeannie Baker and looked at some of her work. We then explored different materials and their textures.

We have been as busy as bees in English as we were learning to write similes. We came up with some great ones such as, as cold as a freezer. Whilst writing our similes we had to remember our everyday toolkit: sit properly on the chair, finger spaces, full stops and capital letters.

Class 2S & 2MT

In Science we have been investigating the most suitable material for a straw. On Friday afternoon, we conducted our investigation by testing the straws in liquid, whether they absorbed the liquid or whether they were waterproof. We also considered their properties and whether they were environmentally friendly.

In Music we have been learning the song “Hands, Feet, Heart” and this week the children started to learn and play the tune on the recorder. We were practising the notes G, A and C and the children really enjoyed this.

Class 3C & 3WR

Last Friday, the children went on a litter pick around the local area. It was a bit blustery but this didn't stop them from collecting a range of items which had been disposed of incorrectly. These ranged from broken glass, which Mick from Keep Scarborough Tidy picked up for us, to a large piece of pipe insulation. The children learnt how glass and plastic can harm animals. This learning linked well with the non-fiction text we have been studying this week in reading.

You could ask us about plastic waste pollution and the 3Rs.

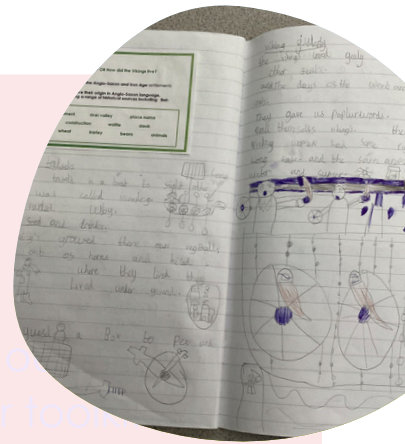

In P.E. The children have been continuing to develop their football skills, focusing on how we can find space, defend and control the ball effectively.

Class 4S & 4M

In English this week, we have begun to write our own warning stories. The children have been using our toolkit to help them to use more ambitious vocabulary and grammar in their writing. They are looking great so far! In maths, we have been looking at written subtraction and in reading, Edward (or Susanna) have found themselves in a rather awkward and smelly situation.

In PE, we have been playing lots of games linked to problem solving. The children have used their listening and communication skills and worked brilliantly in their teams. In PSHE, we have looked at community and democracy and the rights that they have as children. We have loved completing our floorbook this week with what we have learned.

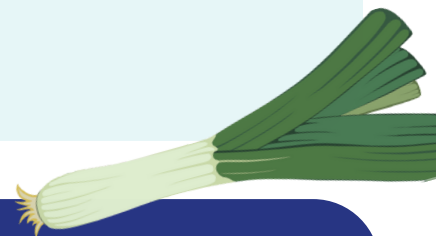

Class 5G & 5BT

This week, we have met the very unpleasant character, Mr Sissons, in our reading book, Street Child and have empathised with our main character Jim, after all of the hardships he has faced.

In History, we have learned how the Romans changed the face of Britain with their skilled road making and their bath houses. We were amazed to find out that some of the roads are still in use! Ask the children to tell you about any of the rooms of the bath house and what happened in there!

We have enjoyed a practical science lesson this week - we have set up our own investigations to see if we can get different vegetables to reproduce. We will keep you posted as we observe the changes, though we may not be able to withstand the onion smell for too much longer! The comment, "I've got a 'leek' in my cup!" made us chuckle! Well done Year 5 and enjoy your weekend.

Class 6BA & 6BL

This week, Year 6 have finished writing some great innovations on, 'Defeating the Monster.' They have gathered lots of fabulous ideas to create suspense and show their character is scared. They applied some of their learning when writing short stories that showed a change in mood and atmosphere.

The children have connected to their previous learning in Geography around countries and capital cities and researched the climate and biomes of Russia and started to compare this to Antarctica.

In History, they have discussed bias and omission of historical sources and what sort of primary sources may have been around during the reign of Lady Jane Grey in the 1500s. (We discovered that cameras were definitely not in use back then!)

All children should come home with a Reading Record today. Reading for pleasure is an invaluable thing that the children can be doing when at home.

Attendance

Attendance matters.

Coming to school on time, every day is vital to achieving the best possible outcomes as well as learning good habits which will benefit everyone in the future. Below is this weeks' attendance.

EYFS

Miss Cousins	91.3%
Miss Scott	85%

Year 1

Mrs Allenby	94.2%
Miss Scuffham	83.3%

Year 2

Mrs Stubbings	99.3%
Mrs McGuinness/Mrs Tipple	95.9%

Year 3

Mrs Clayton/Mrs Tipple	94.3%
Mrs Wadley/Mrs Rowe	96.9%

Year 4

Mrs Smith/Mrs Winspear	89.7%
Mrs Murphy	95.2%

Year 5

Mr Bolton/Mrs Trousdale	95.2%
Mrs Gortzak/Mrs Winspear	98.7%

Year 6

Mrs Bates/Mrs Trousdale	93.5%
Miss Blakeley	92.1%

Week 5 attendance winners

Congratulations to Mrs Stubbings's Class

Other News

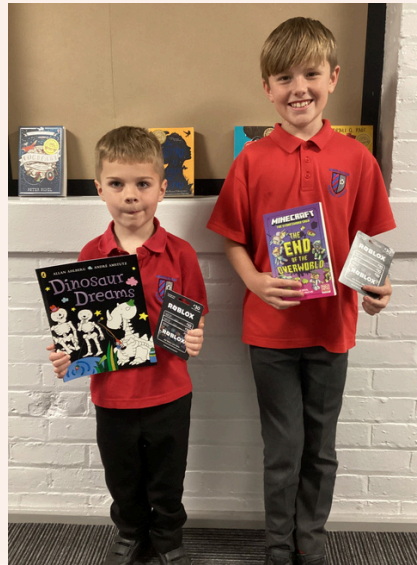

Competition

St Catherine's Hospice are looking for a new mascot to represent their organisation - Can you help? Pupils aged 7+ are invited to design a new mascot for St Catherine's Hospice. Entry forms can be collected from the school office. Closing date for entries: 30th October 2024.

Thank you

A huge thank you for your support on Census Day. Unfortunately an outbreak of Chicken Pox left our attendance lower than we had hoped but it was wonderful to see so many pupils enjoying the special **World Space Week** menu. The winners of the £30 Roblox vouchers were Jack from Year 1 and Sonny from Year 5.

Harvest Donations

Once again we are collecting donations for the Rainbow Centre. Please send any non-perishable donations to school before 18th October.

Safeguarding

Ensuring our pupils are safe and well looked after is our key priority.
