

NHS Speech, Language and Communication Support

TOGETHER WE CAN

What is it?

- They are speech and language therapists that can support your child.
- They will find out what they can do and what they find difficult.

What help will they get?

- They will assess your child and if they feel it is necessary, they will make a plan to help with their speech, language and communication difficulties.

Why do you want to refer my child to them?

- To support your child.
- To support staff understand your child's needs and plan effectively.
- To support you.

Who can I speak to about this?

- Their teacher
- The SENDCo, **Miss Tymon**. Please ask the office to book a meeting.
- Your GP, who can also make a referral.
- You can also make a referral here:
