

Weekly Wrap-Up

Friday 17th January 2025

Important Info

Week commencing 20.01.25 - Menu Week 1

Please park considerately and safely when dropping off and collecting children and where possible follow the voluntary one way system to ease traffic congestion.

Inconsiderate parking can compromise the safety of our pupils and inconvenience our neighbours.

Voluntary one way system.

Update from the head

Hello everyone,

Good afternoon everyone and thank you for another wonderful week at Newby and Scalby.

It has been brilliant to see the after school clubs begin and to hear how much the children have enjoyed being a part of them. I gather that there are still some places available, so if you are interested, please do contact the office or see the bottom of this newsletter for more information. Lunchtime clubs will commence from Monday, with staff and year 6 children running a plethora of activities to enjoy within the lunchtime break.

It has been my pleasure to welcome members of the Friends of Newby and Scalby to the school today, as we plan the forthcoming events to be happening for the rest of the year. If you would like to help at one of these events, know a little bit more about the Friends or become a volunteer, please do contact the office and they will be able to put you in touch.

Have a lovely weekend and thank you, as ever, for your incredible support.

Mr Wriglesworth

Class 0C & 0S

What a busy week in EYFS! In writing, we have created a story map and actions for our Talk 4 Writing story 'The Gingerbread Man'.

In maths, we have started our learning on mass and capacity, the children have done a fantastic job using the scales to predict and find the mass of different objects.

We have been very busy baking gingerbread men! The children have measured and mixed ingredients, rolled out their dough and decorated their own biscuits. Yummy!

In phonics, we learnt the sounds ar, ur, oo and or.

We are in need of more junk modelling! Please save your boxes over the weekend and bring them in next week.

Year 1

Class 1A & 1S

This week the children have been looking at the Queen's Hat in Talk 4 Writing. We have looked at different iconic locations of London such as Trafalgar Square, Big Ben and Buckingham Palace!

In Science, the children have had the opportunity to use their 5 senses. The children have been able to taste different flavours of crisps, look through telescopes, listen to different hidden noises in bean bags, feel different types of materials and smell some smelly scents!

In phonics we have been learning about the alternative sounds for ai (a, ay), ee (e), igh (i, y) and ar (a).

Year 2

Class 2S & 2MT

In History this week we have continued our learning about castles. We found out that King Stephen was on the throne when Scarborough Castle was first built.

We have been talking about Goals and Dreams in PSHE and have decided what we need to do to achieve different goals. I wonder if anyone in Year 2 will succeed in achieving the goal of counting to 10 in Chinese!

How do 3 children move across the hall using 3 hoops without stepping outside the hoops? Amazing work Year 2s in solving this problem together and working as a team!

Year 3

Class 3C & 3WR

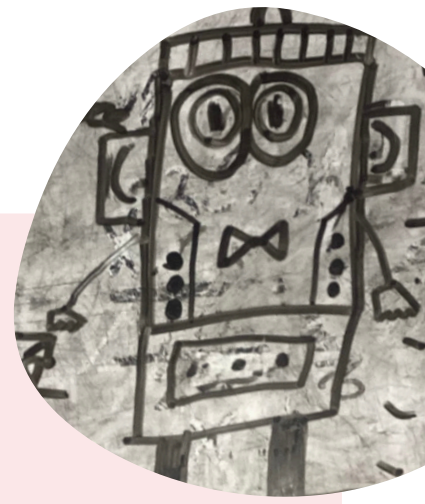

This week, Year 3 have participated enthusiastically in a range of activities. In the Delta Spelling Competition using Emile, they've worked hard and demonstrated great effort. We're excited to see how their performance reflects in the spelling league in the coming weeks!

In Gymnastics, they have shown great teamwork and skill while working on unison sequences. They have been a part of some excellent gymnastics routines, contributing to the overall success of each pairing.

On Monday, we all enjoyed engaging with a series of riddles, which served as a fun writing hook for a suspense story. It was wonderful to see how they reflected on and expressed how their emotions shifted as they solved the clues. This activity really helped to spark their creativity for their writing.

full of stories that can m
augh, cry, or learn. I have m
spines but no bones.
Where am I?

Class 4S & 4M

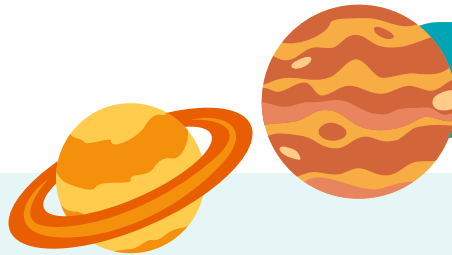

This week, Year 4 have been developing our toolkit for our portal stories. We have been learning lots of new techniques to improve our descriptive writing. In reading, we have begun to explore the beginning of 'The Iron Man'. In maths we have looked at equivalent fractions and adding improper (top heavy) and mixed number fractions.

In geography, we have learned all about flora and fauna and begun to understand that different biomes have vegetation belts within them.

Only 2 more weeks before our residential. Please pass on any information or worries that you or your children may have to a member of staff, so that we can help. Groups and rooms have been organised and your children will find these out once we arrive. They have all been placed with at least one person that they have asked to be with.

Year 5

Class 5G & 5BT

Year 5 are really enjoying their Science work on Earth and Space. We have been astonished by how far away some of the planets are. We tried to recreate a scale model on our field but only managed up to Saturn! Can the children remember the crazy fact about Venus? Ask!

We are working on building up our suspense writing skills and this week have been using personification to give objects and things human characteristics e.g. '*A murder of crows danced in the moonlight.*' WOW!

Weekly spelling challenges are being set on Emile. Please encourage your child to complete these challenges at home and let us know of any issues with logging in.

Class 6BA & 6BL

Year 6 have really enjoyed their Science this week on electricity! They used food items to create circuits and used their knowledge to draw these using scientific symbols. They resisted eating an electrical wire (or strawberry lace!) to ensure their circuits worked well with all the components.

In English, they have been writing persuasive letters to the creators of the board game Jumanji. After reading the book, they have written to complain about the terrors that they have been put through. They have worked hard to use formal language choices.

PE has given the children opportunities to test out their leadership, explaining games to small groups as well as practising matching and mirroring in gymnastics.

We are proud of the enthusiasm that lots of them showed in organising and running their own club. We hope these go well once they start next week.

Attendance

Attendance matters.

Coming to school on time, every day is vital to achieving the best possible outcomes as well as learning good habits which will benefit everyone in the future. Below is this weeks' attendance.

EYFS

Miss Cousins	93.3%
Miss Scott	94.1%

Year 1

Mrs Allenby	96.9%
Miss Scuffham	96.9%

Year 2

Mrs Stubbings	87.6%
Mrs McGuinness/Mrs Tipple	95.9%

Year 3

Mrs Clayton/Miss Elliott	89.7%
Mrs Wadley/Mrs Rowe	90%

Year 4

Mrs Smith/Mrs Winspear	99%
Mrs Murphy	98.4%

Year 5

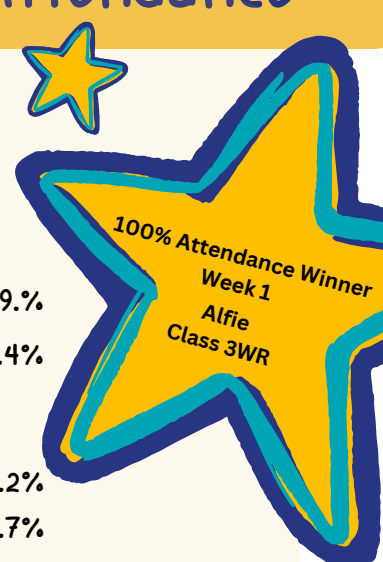

Mr Bolton/Mrs Trousdale	94.2%
Mrs Gortzak/Mrs Winspear	92.7%

Year 6

Mrs Bates/Mrs Trousdale	92.4%
Miss Blakeley	95.2%

Week 2 attendance winners

Congratulations to Mrs Smith's Class

Other News

Afterschool Clubs

There are still some places on the following afterschool clubs. You can sign up via the MCAS app.
Monday Y5/6 Drama Club
Monday Y3/4 Dance Club
Tuesday KS2 Boccia Club
Wednesday Y1/2 Golf Club

Lunchtime Clubs

Lunchtime Clubs start next week. Sign-ups have taken place this week and pupils will be informed on Monday if they have a place at a lunchtime club.

MCAS App - Help

This guide is for use by Parents and will explain how you can Save your Card Details within MCAS for use on future purchases. [Save your Card Details.](#)

Attendance Rewards

Well done to 4S who received their 1st attendance reward last week for completing their Newby & Scalby Attendance Tracker. Unfortunately, due to a broken McFlurry machine, they're having to patiently wait until next week to enjoy their reward!
Congratulations to 2S, who have enjoyed their second reward and 3C who will be enjoying theirs next week.

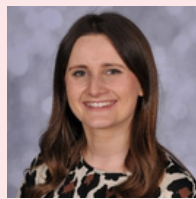

Safeguarding

Ensuring our pupils are safe and well looked after is our key priority.
