14.05.25 Year 6 SATS
15.05.25 Year 6 SATS
20.05.25 Year 1 Visit to South Bay

Update from the head

Hello everyone,
Welcome back to what I hope will be a fantastic summer term. It has been wonderful seeing the children in school and adults at the gates.

The sun has allowed the children to enjoy the field and make use of the new equipment, purchased for use in the Summer term. As the term progresses, the offer at break and lunch will include new zones for the children to enjoy and different equipment to play with. I look forward to seeing the positive impact that this will have.

I was lucky enough to accompany the Early Years children as they enjoyed a trip to Hill Top Farm this week. The children listened so well and their behaviour was impeccable.

As you will see, the road markings have been repainted at the front of school to help make the areas that people should park in and not park in very clear. Once more, this has been done for the safety of the children at our school. We are seeking advice on what further steps we can take in order to make the front of school at drop-off and pick-up safer. Please help us keep the children safe by not parking in these areas, even for a couple of minutes.

I look forward to welcoming parents and carers next week for our parents' evenings.

Thank you, as ever, for your incredible support!

Mr Wriglesworth

Class OC & OS

What a lovely, busy first week back it has been! We started off the week by hunting for tadpoles in the school pond, unfortunately we couldn't find any! This kickstarted our new Talk for Writing story - The Teeny Weeny Tadpole. If anyone has any tadpoles in their ponds or spots any whilst out and about we would love some for the classroom as this will help us learn about the life cycle of a frog.

The children have enjoyed observing nature which has included painting blossom trees and keeping their bean plants alive. The children were excited to discover many of the bean plants have grown shoots and leaves over the holidays.

We had a fantastic afternoon at Hill Top Farm. We found out about the life of a sheep, fed the lambs and went on a Spring walk around the farm grounds. The children behaved exceptionally and we all had a brilliant time.

Year 1

Class 1A & 1S

WOW! What a great first week back year 1 has had!

In English we have started a new unit all about the Magic Porridge Pot. We have been discussing different types of magical objects and what the children most desired if they had the opportunity to be granted a wish. In other news both 1A and 1S had an unexpected visitor to their classroom last night. A dragon from a magical faraway land visited and breathed fire on our carpet and screen. Luckily, nothing was spoiled!

In Art we have started looking at what sculptures are. We looked around the classroom for different objects and designed a home made sculpture that they described as a light house at the sea side.

In PE, we have started a new unit called 'playing games,' to develop our understanding of listening to rules and learn why it's important to work as a team.

Year 2

Class 2S & 2Mt

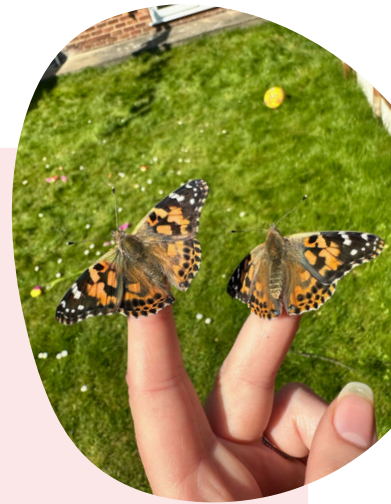

During half term our chrysalises turned into butterflies! We loved looking at the pictures of them being released and have been trying to spot them on the playground.

We have a new strategy read which we are excited about 'George's Marvellous Medicine' by Roald Dahl. We learnt about the author and made predictions of what might happen in the book based on the front cover this week.

In writing we completed our 'cold task' and have focused on using adjectives to describe a setting. We also started text mapping our new text 'Jack and the beanstalk.'

We have enjoyed practicing our racket skills in PE and worked on developing our accuracy and working with a partner to earn points.

In maths we have also started a new topic on shape.

Year 3

Class 3C & 3WR

This week in English, we have been exploring one of Joseph Coelho's poems—"Something Wondrous." We didn't just read the poem—we brought it to life! Using some of the strategies Coelho himself uses, such as changing tone, using hand gestures, and playing with pace and volume, we had a go at performing it ourselves.

In Reading, we began our new Strategy Read, *Charlotte's Web* by E.B. White. We used the front cover and blurb to make predictions about the plot, characters, and themes.

In PE., we have enjoyed learning about fielding skills in rounders and cricket. The children have developed their underarm and over arm throwing techniques, focusing on accuracy, power and team work.

Class 4S & 4M

Year 4 have made a great start to the Summer term! We have begun our new reading book for this term called Krindlekrax. We have been starting to look at our new writing topic: defeating the monster. In maths, we have been looking at time: remembering our time facts, telling the time and time durations.

We have already begun our new history topic about the Ancient Mayan civilisation and have a D&T topic about sewing and a science topic about sound to begin this term. In PE, we have started our cricket topic, focusing on fielding.

Quick reminder to book parents evening appointments for next week through the app.

Class 5G & 5BT

It was lovely to welcome the children back to school this week. We had lots of news and stories to share with each other!

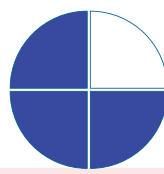

We have started learning about Maz Evans, the author of our new strategy read, 'Who Let the Gods Out' and today will be making our predictions about the book, based on the blurb and front cover.

In maths, we are learning to estimate and classify different angles e.g. right angle, acute, obtuse, reflex and have been practising our full, half and quarter turns, clockwise and anti-clockwise.

Our new History unit has seen us learning about how democracy came about in England and we experienced it first hand with a lively debate and a virtual visit to the Houses of Parliament where we learned about the Houses of Commons and Lords and the different coloured seats!

Well done on a great first week back Year 5!

Class 6BT & 6B

Year 6 have hit the ground running and had a very busy first week back. We are so proud of how hard the children are working!

We have started our new class book, 'Windrush Child' by Benjamin Zephaniah and been creating new creatures to write about in English.

In maths, we have been learning about ratio and looking at the relationship between ration and fractions.

We have lots of exciting things coming up in the summer term and can't wait we to get this started with the children, including our residential to Peat Rigg, meeting some of their new secondary school staff and preparing their end of Year 6 production! Lets hope the sun keeps on shining!

Attendance

Attendance matters.

Coming to school on time, every day is vital to achieving the best possible outcomes as well as learning good habits which will benefit everyone in the future. Below is this weeks' attendance.

EYFS

Miss Cousins	93.8%
Miss Scott	96.6%

Year 1

Mrs Allenby	97.5%
Miss Scuffham	92.5%

Year 2

Mrs Stubbings	91.4%
Mrs McGuinness/Mrs Tipple	96.6%

Year 3

Mrs Clayton/Miss Elliott	97.9%
Mrs Wadley/Mrs Rowe	99.6%

Year 4

Mrs Smith/Mrs Winspear	95.3%
Mrs Murphy	96.8%

Year 5

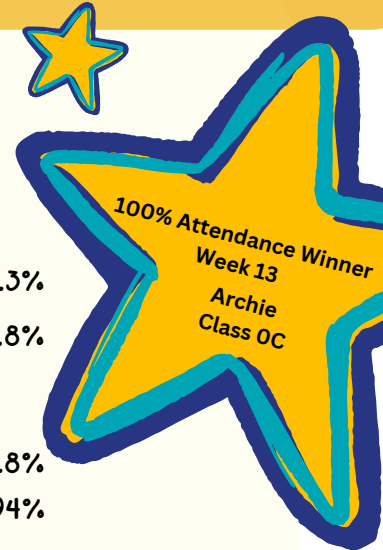

Mr Bolton	94.8%
Mrs Gortzak/Mrs Winspear	94%

Year 6

Mrs Bates/Mr Wriglesworth	94.4%
Miss Blakeley	94.6%

Week 1 attendance winners

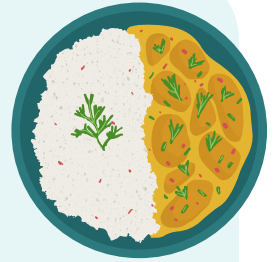

Congratulations to Mrs Wadley and Mrs Rowe's Class

Other News

New Menu

Our Summer menu started this week, pupils are delighted to have Chicken Korma back on the menu! Full details can be found on our website. Next week we will be on Menu week 3. Look out for some exciting celebration menu's this term!

Year 6 SATs

Year 6 SATs will be taking place from 12th-15th May. More information will be sent home next week via MCAS regarding timetables, SATs Breakfasts and help links for you to support your child.

Year 1 Litter Pick

Today Year 1 have undertaken their community litter pick with Mick from Keep Scarborough Tidy. They collected lots of discarded rubbish. Well done and thank you to Year 1!

Safeguarding

Ensuring our pupils are safe and well looked after is our key priority.
