Issue Number 15

Dear families,

Year 11 and Year 13 deserve our recognition and support for starting their written exam series so positively and maturely. Thank you to all families who are working to calm nerves and boost motivation as the exams become more intense. It is fantastic to see so many of Year 11 engaging in breakfasts prep, boosters and study plus. Our teaching staff have prepared and drilled our students so well they know what to expect - full support!

Proud Thursday and Quiz up has taken to the front yard to shine the sunlight on our students beautiful work. I hope that families are seeing the postcards and the work produced to earn them! We have a creative writing workshop this afternoon that Miss Wilson has arranged that will blend writing and art for a group of Year 7 -10.

Other students are enjoying the summer sports, whilst our Year 10 volunteers are keeping Ms Steadman busy. We break up for half term on Friday 23rd May at 3.00pm and will welcome all students back on Monday 2nd June for the final half term of the year.

Attendance

New Attendance Policy

The Local Governing Committee approved our new Attendance Policy last week. This is available on our website [here](#) and was shared with families last week. Please support your child to ensure attendance remains above 97%, in line with the new policy, if you feel you or your child need further support with attendance, please contact the school on 01751 472846.

Hay fever

We have an increase in students off school due to hay fever. While we understand that hay fever can be uncomfortable for some, it is generally not considered an acceptable reason for absence from school. Missing valuable learning time can impact your child's progress. We strongly encourage taking preventative measures to manage hay fever, taking an antihistamine tablet before school. Students are also able to carry up to two paracetamol on their person should they require to take them during the school day. If your child experiences severe hay fever symptoms that you are concerned about, we recommend consulting with your GP for further advice.

Punctuality

A number of students are regularly arriving significantly late to school on a morning. Please be aware, that if your child arrives at school after registration is closed without an acceptable reason, the school legally has to mark them as "Late after registration" which is a U code and counts as an absence for the morning on their attendance record.

If your child is going to be late due to an appointment, please contact the school office to let them know, to ensure that they are marked appropriately, rather than unauthorised late.

County Football Trials

Congratulations go out to Freddy H (Y10) for his selection to the North Yorkshire U15/16 Football Team. Well done Freddy we are all very proud!

School Uniform

A reminder about the uniform policy regarding skirt length.

Please ensure your child's skirt is knee-length or just above the knee, and not rolled up. This is to maintain a professional and appropriate school appearance. We welcome your support in speaking to your child about skirt length or providing a skirt that meets school expectations. This will prevent your child being challenged or consequence.

Full details of our uniform policy can be found on the School Website.

Drama News

A Midsummer Night's Dream

The play is blocked and lines are learnt (mainly!) Our set is being built and costumes are being made. Students are working really hard to get the show ready for Thursday 19th June. Please check MCAS for the updated rehearsal schedule. A reminder about our weekend rehearsal on Sunday 8th June, 10.00am – 3.00pm. All students must now be off script.

Last match of the season and Fred Flys in Style!

Freddie L plays for Bishop Burton Yorkshire Centre and their last match was against Doncaster and West Park Leeds Yorkshire Centres.

The matches where played in Harrogate. All the pathway coaches were watching and Fred managed to score two tries and they won both games.

This leads to selection for next season and we wish Fred all the luck for this. What a talented student, well done Fred!

Year 8 District Football Champions

On the first day back of school, the Year 8 football team competed in the District Final against Pindar School. The game was played at Whitby FC stadium which was an exciting experience for the boys. Luckily we managed to get the win and bring the trophy home. This was due to an amazing performance from all of the team throughout.

Honourable mentions go to A.Brown, J.Brown, T.McMann, L.McLaren and D.Horsfall. In the first half we started off slow but came into half time 3-0 up due to A.brown bagging a hattrick in 20 minutes. We went into the second half feeling confident, with a solid defensive line, numerous awesome saves, leading us to pull off a staggering 8-3 win with A.Brown bagging 7 goals and T.McMann getting 1. We go into next year on a massive high and aim to go further in the County Cup. Proud of these boys. Well done lads!

Personal Development Updates

Lots of exciting lessons are being learned across the Personal Development curriculum this term. We obviously encourage you to continue the conversations we begin in lessons at home, so to that end, here's what students are in the midst of studying!

Year 7 - In Life, students have begun, or are about to begin, learning about the emotional side of puberty and how to manage the changes puberty brings. In their Leadership Award lessons, students are bringing together their wider knowledge to discuss how we maximise our brain power to really be our best.

Year 8 - Year 8 have been learning about the challenges LGBT+ people face as they grow up in the UK today and how we can all be better allies to people who are different to ourselves, not just to LGBT+ people. They will then go on to understand the importance of healthy relationships and consent.

Year 9 - In Life lessons, students are also learning about healthy, consensual relationships and what to do if a relationship is harmful. In Futures, Year 9 have had chance to research further the providers who were at the Careers Fair the other week, and will shortly begin their project working with members of Pickering Town CIC to create an event that could put Pickering on the map. Members of Pickering CIC will be there to guide students and help them work out the feasibility of their ideas.

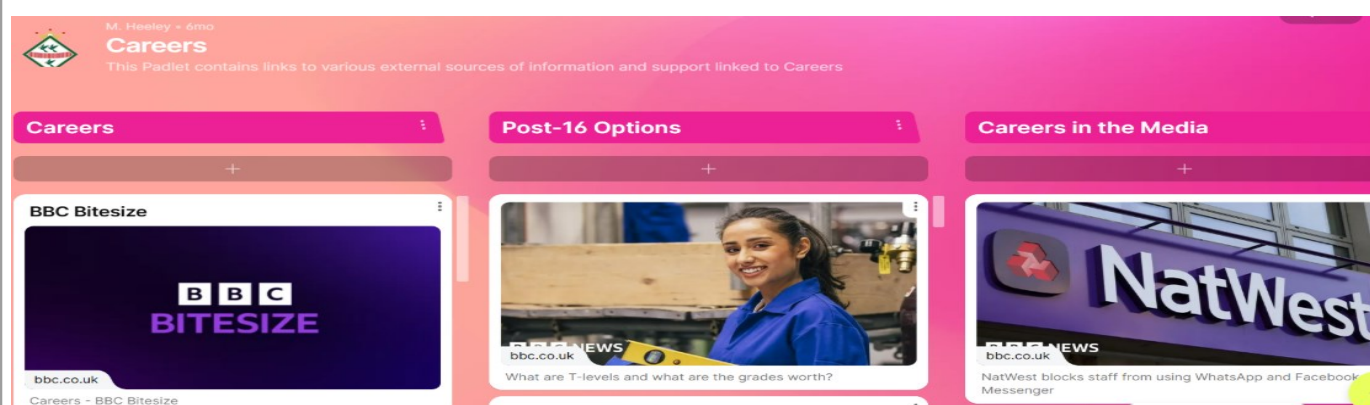

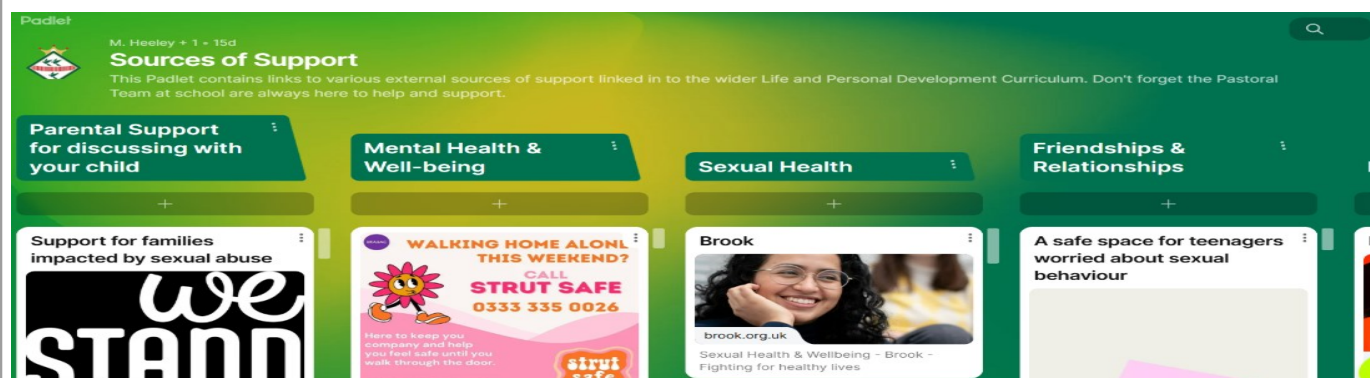

Year 10 - Year 10 also had the chance to do further research about their Post-16 choices and are about to recap why consent is important, as well as the impact watching pornography can have on intimate relationships.

As always, students can find support on the school website, something which they are reminded about during Life lessons, but which can be accessed here: [Sources of Support](#)

This also includes a section for parents and carers to support your discussions. There is also an ever-evolving Padlet specifically for Careers which can be found here: [Careers](#)

Personal Development Lead (i/c Careers, Life, RE)

May is exam season, and the library is playing host to some of our students who are sitting their GCSEs and A levels. Unfortunately, this means that students are not able to access the space during break and lunch times when exams are happening. It also means that I am the mobile librarian - carrying boxes of books to classrooms and making use of our IT suites.

A photograph of a classroom or library setting. In the foreground, a round white table holds a red stapler and a black bag. The background shows rows of blue chairs and white tables, with a large window on the right side.

This Friday, 16th May, visual artist, Simon Crook, is coming to do some work on manga and designing / writing about characters. He will be working with a selected group of students from across year groups from 1-3 p.m. – we are very excited to offer this opportunity to our Manga fans! I can't wait to see what they create!

Author visit

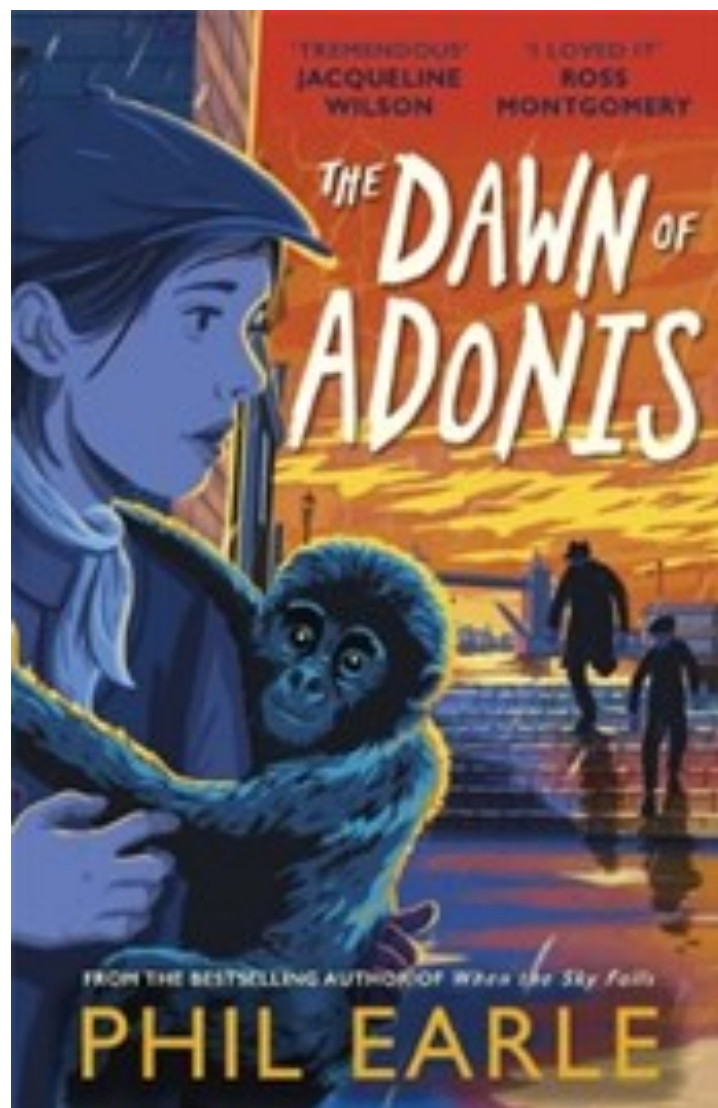

We are delighted to announce that author Phil Earle will be visiting our school on Monday 23rd June. He will be talking to our Year 7 students and the Year 6 students from Pickering Junior school about his latest book, 'The Dawn of Adonis'.

"It is 1911 and London's docks thrum with underhand deals, none so great as the arrival of a valuable, rare and exotic animal, smuggled from the depths of the Congolese rainforest. The baby gorilla stands to make one man, the shady Goliath Deeds, very, very rich. Heaven help anyone who dares stand in his way, not least the brave and innocent twelve-year-old Nettie Beecroft, who finds herself embroiled in a dangerous rescue attempt where she encounters toshers, bone grubbers and gangsters."

We are partnering with Pickering Book Tree for this exciting event, and they have arranged for families to pre-order a copy of the book, which will be available on the day for students to have Phil Earle sign for them. Families will have the opportunity to buy the books for £7.20 through our My Child at School portal so look out for the item to appear in the payments section - the deadline for ordering is Monday, 2nd June. There is no obligation to buy a book in order to attend the author visit, but the sale of books contributes to the event being free of charge to our school. In addition to the book, Pickering Book Tree will be giving out a loyalty card which automatically gives students 10% off every future book they buy at the Book Tree.

If you would like to read any of Phil Earle's other stories before his visit, we have several of his books in our library, and via our ePlatform.

If you have any questions about the event, please contact Donna Rueth.

VE Day Celebration Beacon Lighting.

Last Thursday a group of students from Year 7 and 10 took part in the Beacon lighting to mark VE Day.

The students joined the parade in the marketplace along with veterans and Pickering town councillors, standing guard then through the service. Students taking part had entered the competition to light the beacon with the Mayor.

The winner, Isabelle B who did an amazing job lighting the beacon.

We are so proud of students taking part and supporting their local community.

It was my last event as Mayor and it was an honour to stand alongside one of my Year 10 students lighting it and hearing Oliver P playing in Stape silver band next to us.

Thank you to everyone who took part and who came to watch the event.

Under 17 Car Club

The Under 17 Car Club Charitable Trust has been running the Pathfinder Initiative (a not-for-profit activity) since 2008 helping over 2000 young people and their associates to be safer drivers. Events relatively local to our area occur three times a year in school holidays at Rufforth East Airfield, near York.

Delivered by Volunteers, the 5-day programme is designed for 15-17 year olds who, accompanied by a parent or other appropriate adult, learn the essential practical skills, road knowledge, attitudes and behaviours to be #Safeat17 when they pursue a DVSA licence.

More information is available at [Under 17 Driving with the Pathfinder Initiative](#)

YOUNG CARERS

A young carer is someone who helps look after a family member who might be ill, disabled, or need extra support. They often have responsibilities of someone much older than them. But it's important for young carers to ask for help when they need it. **Being a young carer can mean:**

Cleaning
the house
to keep it
tidy and
safe

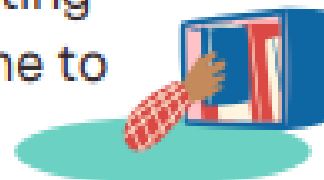

Taking care
of younger
siblings

Reading letters
or mail and
helping with
forms

Supporting
someone to
attend
appointments or
keep track of
their medication

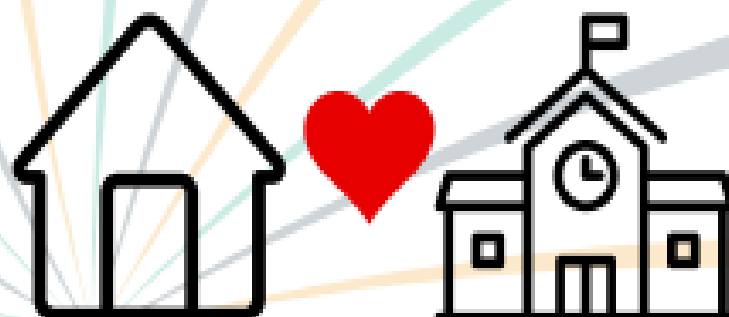

YOUNG CARERS - EVERYDAY HEROES!

**DID YOU KNOW? SOME KIDS ARE SUPERHEROES AT
HOME BEHIND THE SCENES – THEY'RE CALLED
YOUNG CARERS!**

Young carers help care
for someone in their
family because of
illness, disability or
addiction. These kids
are strong, kind and
brave!

But even superheroes
need help sometimes. If
you're a young carer, let
your teacher know.
They can help!

**Talk to your teacher if you're a young carer.
You are not alone!**

IDENTIFYING AND SUPPORTING YOUNG CARERS IN SCHOOL

Who Are Young Carers?

Young carers are students who provide care for a family member due to illness, disability, mental health challenges, or addiction. They take on responsibilities that may impact their education and wellbeing.

Signs to Look For

- Tiredness or lack of concentration
- Frequent lateness or absences
- Appearing stressed, withdrawn, or anxious
- Difficulty keeping up with schoolwork

How to support young carers

- Build trust to make them feel safe when sharing their situation.
- Adjust homework deadlines or attendance policies when needed.
- Refer them to school counsellors or external support services.
