

Weekly Wrap-Up

Friday 23rd May 2025

Important Info

Week commencing 02.06.25 - Menu Week 2

Please see our website for [Out of School activities](#) on over the Half Term holiday and beyond.

To help ease parking congestion we encourage all pupils to cycle to school. Bikes can be left in the KS2 playground entrance (outside Fun Factory) and will be locked in during the school day.

Y6 pupils in receipt of Free School Meals (FSM) must re-apply for their FSM eligibility to be reassessed before starting Y7 in September. Details have been sent via email.

Update from the head

Hello everyone,

Firstly, may I take this opportunity to say a massive thank you to the wonderful service given to our school, over the past 26 years, by the amazing Mrs Perry. Mrs Perry leaves with our best wishes and heartfelt thanks.

Also, we would like you let you all know that after the holiday, we will be welcoming Mrs Sutton. Miss Blakeley will be getting married next week and will be returning as Mrs Sutton. All at Newby and Scalby wish her the very best on her special day with her friends and family.

I would like to thank all of the parents and carers for their efforts with parking/pausing outside school. The new signage has had a really positive impact, which is keeping children safe. Staff have received so many positive comments about these changes from parents/carers. After half term, where possible, there will also be an adult presence at the KS2 crossing. I look forward to your continued support with this very important issue.

Diary Dates

Dates For Your Calendar Summer Term

Next Week

Half Term Holiday

For the future

02.05.25 School Re-opens after Half Term

09.06.25 EYFS Sports Day AM

09.06.25 Y1 Sports Day PM

10.06.25 Y2 Sports Day AM

10.06.25 Y3 Sports Day PM

11.06.25 Y6 Sports Day AM

12.06.25 Y4 Sports Day AM

12.06.25 Y5 Sports Day PM

Next half term has much to look forward to and hopefully, the weather will assist us in ensuring our Sports Days and Summer Fair go without a hitch.

Thank you, as ever, for your incredible support and enjoy the half term holiday!

Mr Wriglesworth

Do you have an amazing teacher?

Send your message of thanks to admin@ns.coastandvale.academy and we'll pass your messages on to teachers on national 'Thank a Teacher Day' on 18th June

Class OC & OS

We have been busy retelling our innovated versions of 'The Teeny Weeny Tadpole' this week. The children have blown us away, the stories were told in so much detail and many children were able to change their tone of voice to suit different characters. Well done EYFS!

In maths we have just finished our unit on manipulating, composing and decomposing shapes. We have looked closely at the properties of some 3d shapes including: cubes, cuboids, cone, cylinder, sphere and pyramid.

We are still closely observing our tadpoles and have been enjoying making non-fiction books including facts about them - we have noticed some are beginning to grow legs!

We have enjoyed sharing our favourite memories of Mrs Perry whose last day at Newby is today. We will all miss her very much but wish her the best of luck for the future!

Year 1

Class 1A & 1S

Year 1 have had a busy and exciting few weeks!

We loved our trip to Scarborough beach where the children spotted both human features, like the promenade and beach huts, and physical features, such as the sea and cliffs.

Back at school, we created wonderful sculptures using natural materials, inspired by artist Richard Shilling.

In English, the children have been working hard on their hot writes based on The Magic Porridge Pot, using their imaginations to create some magical stories.

In Maths, we've been learning about mass and enjoying lots of hands-on measuring activities.

Well done, Year 1!

Year 2

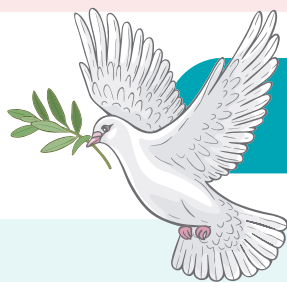

Class 2S & 2Mt

What a busy week in Year 2! In writing we have finished our defeating the monster stories and have used similes, sentences of 3 to keep our readers interest!

In maths we have been exploring height and length, measuring in cm and m. We estimated whether we would be longer or shorter than a metre!

In art we have created our final piece- inspired by the work of Kazimir Malevich. We mixed paints to make warm and cold colours to depict the lives of poor and rich children in the Victorian era.

In computing- we created tally charts based on the attributes of the children in our classes. Our questions included- what is your favourite subject, ice cream and snack. We then used the iPads to create pictograms with the results.

Year 3

Class 3C & 3WR

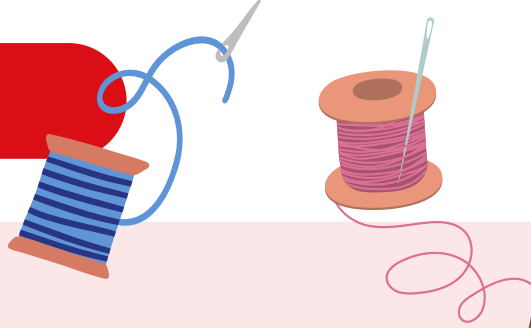

This week, our brilliant Year 3 writers completed their Hot Write portal stories – and what thrilling adventures they created! From magical doorways to prehistoric worlds and futuristic lands, their imaginations soared. Well done to all our hardworking authors!

In Religious Education, the children explored Christian symbolism, working in groups to design colourful posters showing the meaning of symbols like the dove, light, and stained glass windows.

On Wednesday, Year 3 took part in the Delta Schools MTC Cup event – an exciting opportunity to sharpen their times tables skills while earning points for our school. A special well done to George Wilson in Class 3C, who made an incredible contribution of 239 points to the school's total!

Year 4

Class 4S & 4M

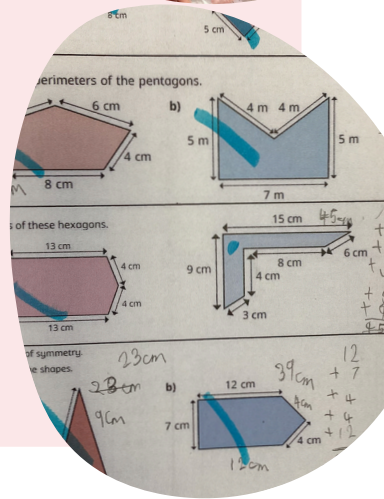

Wow what a busy week! This week we have been looking at perimeter and area in maths, working out the perimeter of regular and irregular polygons.

In writing, we have just managed to squeeze in finishing our hot task and have produced some amazing 'defeating the monster' stories.

We have finished our unit of cricket and rounders now, we have seen some impressive fielding and batting skills from all the children.

It has been a busy design and technology week as we have been practising our sewing skills ready for making a t shirt. We now know how and why we need a hem in clothing and how to create a seam.

We hope you all have a wonderful half term. If you can access Emillie to practise for the MTC as much as possible that would be fantastic!

Year 5

Class 5G & 5BT

Year 5 have written some amazing 'Defeating the monster' stories this week for their hot write. We have been blown away by the vocabulary they have used to describe their settings and their monsters.

In maths we have been learning about translation and different lines of symmetry: vertical, horizontal and diagonal. We were impressed that some of the children knew that circles had an infinite number of lines of symmetry!

We have continued learning about Guy Fawkes in History and this week examined whether or not he had been framed! The children had lots of fun being his defence lawyers and deciding which pieces of evidence they could use in the class 'court'!

Science has been fun and practical, as we investigated electrical insulators and conductors. We thought it was interesting that some of the materials which we discovered last week were magnetic, didn't conduct electricity.

Well done Year 5 and have a well deserved break!

Class 6BT & 6B

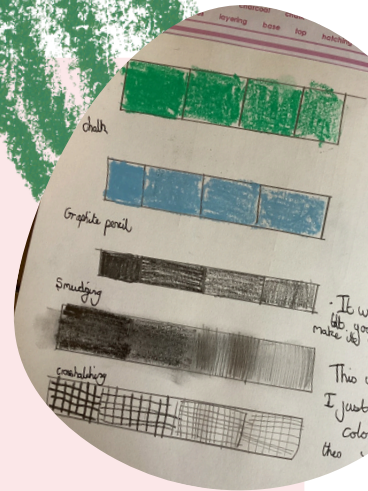

What a busy week Year 6 have had! We thoroughly enjoyed watching the children's auditions for the Year 6 play.

Our casting job was made so difficult due to the amount of talent in acting and singing - well done to everyone. We can't wait to start practising and performing next half term.

They have had a focus on Art this week, practising using different mediums such as pastels, chalk and graphite to create tone and texture.

In Maths, they have continued to work on their arithmetic and basic skills, something secondary schools are keen for them to retain. They also gained us lots of points in the MTC Cup!

We had a very exciting and insightful pre-visit to Peat Rigg and cannot wait to experience it in July with the children. Next half term, we will be spending lots of time preparing them for this.

Attendance

Attendance matters.

Coming to school on time, every day is vital to achieving the best possible outcomes as well as learning good habits which will benefit everyone in the future. Below is this weeks' attendance.

EYFS

Miss Cousins	93.3%
Miss Scott	91.1%

Year 1

Mrs Allenby	94%
Miss Scuffham	95%

Year 2

Mrs Stubbings	92.8%
Mrs McGuinness/Mrs Tipple	93.9%

Year 3

Mrs Clayton/Miss Elliott	91.7%
Mrs Wadley/Mrs Rowe	91.7%

Year 4

Mrs Smith/Mrs Winspear	89%
Mrs Murphy	89%

Year 5

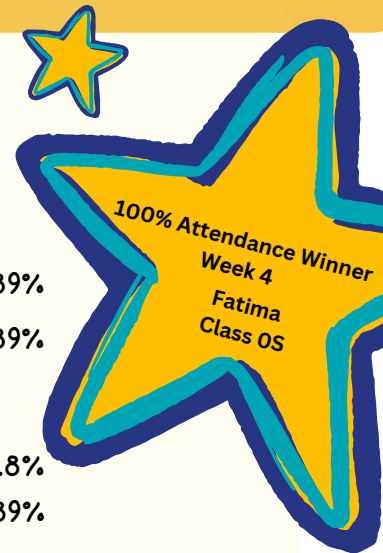

Mr Bolton	94.8%
Mrs Gortzak/Mrs Winspear	89%

Year 6

Mrs Bates/Mr Wriglesworth	92%
Miss Blakeley	95%

Week 5 attendance winners

Congratulations to Miss Scuffham & Miss Blakeley's Classes

Other News

Goodbye Mrs Perry

After a wonderful 26 years at Newby, today we say goodbye to Mrs Perry. Pupils and staff shared memories and well wishes with Mrs Perry in a special assembly yesterday where she was presented with gifts and a memory book. We wish her all the luck in the world as she starts her new job.

Multiplication Test Check Cup

This week some pupils took part in the MTC Cup which runs throughout all Delta schools. Across the academy trust over 2500 children took part. 4M had some top scoring pupils including Bobbie F 110th, Robert G 96th & Archie H 8th! Well done to everyone who took part.

NHS Dentist

SMILE Dentalcare, Scarborough are now accepting new patients under 18, on the NHS Scheme. They are accepting registrations via phone and email 01723 413110 - scarborough@Smiledentalcare.co.uk

Safeguarding

Ensuring our pupils are safe and well looked after is our key priority.
