

# Weekly Wrap-Up

Friday 13th June 2025

## Important Info

## Update from the head

Week commencing 16.06.25 - Menu Week 1

**Monday 16<sup>th</sup> June** - Pupils should come to school in PE kit with their **DREAMS** colour t-shirt. They will be taking part in sporting activities to celebrate Nations School Sports Week.

**Change of Menu** - Monday's menu has changed due to stock availability. We will now be serving Sausage and Chips instead of Toad in the Hole with Wedges.

**The Year 2 Sports Day** has been rescheduled for Tuesday 17<sup>th</sup> June at 9:15am.

Hello everyone,  
What a week!

I have to start with the Sports Days. These have been the first I have experienced at Newby and Scalby and I am amazed at the adult turnout we received. Thank you so much for coming and making the event even more special. Memories like this are important so a huge thank you to the year 6 children and staff team for putting these events together.

I am very excited to let you know that from Monday, the school will begin a vast IT upgrade. This will be happening across school, benefiting all children and staff. The phone lines will be upgraded also, meaning that whilst we hope disruption on Monday will be minimal, there may be delays in response to messages received. I thank you for your understanding and patience with this.

I am looking forward to seeing all of the children enjoy a hugely anticipated DREAMS event on Monday that will see children work in their DREAMS teams to achieve sporting excellence. Children can come into school in their sports day kit on Monday for this event, wearing the same top as they did for sports day. They will not need to get changed at school.

Thank you everyone for your continued support around the EY and KS1 gate with parking and pausing. It is greatly appreciated and is helping to keep our children safe.

**Thank you, as ever, for your incredible support.**

Mr Wriglesworth

## Diary Dates

### Dates For Your Calendar

#### Summer Term

#### Next Week

**19.06.25** Group A New Starter Transition

**20.06.25** Group A Bikeability

**20.06.25** Group B New Starter Transition

#### For the future

**23.06.25** Group B Bikeability

**25.06.25** Group C Bikeability

**26.06.25** Group D Bikeability

**27.06.25** Group E Bikeability

**03.07.25** Y6 Transition to Secondary

**04.07.25** Y6 Transition to Secondary

### Do you have an amazing teacher?

Send your message of thanks to [admin@ns.coastandvale.academy](mailto:admin@ns.coastandvale.academy) and we'll pass your messages on to teachers on national 'Thank a Teacher Day' on 18<sup>th</sup> June

## Class OC & OS

We have had another wonderful week in Early Years which was kick-started with sports day on Monday. We were proud of how the children showed motivation to complete the different activities including the running race. You will all be pleased to know Mrs Greenall has quickly recovered!

In music, we have been composers and used lines and shapes to represent what we could hear considering the tempo and the pitch of the music.

In maths we have continued to explore grouping and sharing as well as odd and even numbers. Whilst you are out and about this weekend you could try and spot some of these within 10. We found out that a number is even because it can be shared within a group of two and an odd number cannot.

Year 1

## Class 1A & 1S

What a great start to the week we had with sports day. The children did so well with everyone showing all our school values. Thank you to everyone who came and supported, it meant a lot to the children.

This week saw us start our reading strategy lessons like the rest of the school do. We started by looking at the author Shirley Hughes and then her story, Dogger. The children have blown us away with their reading skills. They have all made so much progress with their reading this year and this is partly due to all the reading they do at home, thank you.

Our REC lessons have continued this week looking at the big question, "How is Victoria different to where we live?". We will be learning more about Australia over the coming weeks.

# Class 2S & 2Mt

We have been as busy as ever this week! We learnt about respecting other people's belief in RE. and in history we enjoyed a 'Victorian playtime' with chalks, hoops and marbles. We compared the similarities and differences to school playtime today.

In reading George has finally given his grandma the medicine, we were shocked at what she turned in to! In art we explored how we can alter line and tone using oil pastels and loved experimenting with smudging.

In science we sorted animals into groups based on if they were herbivores, omnivores or carnivores. Then we learnt about food chains and loved creating some of our own!

**We were very disappointed on Tuesday when our sports day had to be cancelled but, we showed resilience and had an extra practice in PE so that we are more than ready for next week! We can't wait to enjoy our sports day with you all, hopefully in the sunshine! 😊**

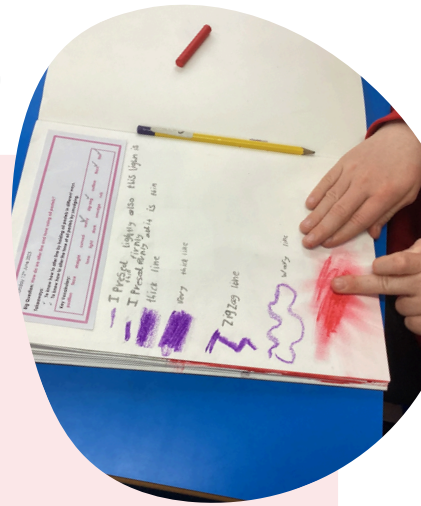

## Year 3

## Class 3C & 3WR

Last Friday, the children stepped into the shoes of Ancient Egyptian engineers as they designed and built their own shadufs—a clever tool invented over 4,000 years ago to lift water from the River Nile to irrigate crops. We were incredibly impressed by their teamwork, creativity, and problem-solving skills!

In Art, the children began exploring different clay techniques, including coiling, hollowing, and pinching. These new skills will come in handy later this term when they create their very own Ancient Egyptian Canopic Jars.

**We were also so proud of everyone on Sports Day! The children showed all of our DREAMS values and took part with great enthusiasm and spirit. Well done, Year 3!**

## Class 4S & 4M

This week Year 4 have continued their reading of the book *Kindlekrax*. We have enjoyed reading Winston's flashbacks to the time that he stole a crocodile from the zoo where he worked. In maths, we have continued to look at shape- exploring regular and irregular polygons and their properties. In English, we have explored *Show Not Tell* and ways that this can be used in a great opening for our impending quest stories..

This week's highlight was definitely Sports Day on Thursday. The children were brilliant and showed off their sporting talents!

Your child also completed their MTC government check this week. They were all so relaxed about this and we know that they all tried their best! Well Done Year 4! We couldn't be prouder of you all!

## Year 5

## Class 5G & 5BT

This week, year 5 have started to learn the model text we will be using to create our own warning story. The children are getting very good at learning model texts now, internalising the structures used so that they can recreate them in their own writing. In maths, we have learned time and using timetables and we have continued to read *Who Let the Gods Out* in reading. The children are really enjoying the book, often laughing out loud as we read, which is lovely!

In science, we looked at chemical reactions between an alkali and an acid (bicarbonate of soda and vinegar). We observed how a gas is produced as a result of the reaction, and in history we learned about the English Civil War and the execution of King Charles I. We also enjoyed our sports day this week - the children really enjoyed competing in their teams. Well done all on another fantastic week!

## Class 6BT & 6B

Year 6 have gone above and beyond this week and we are so so proud of them! The amount of compliments that we have had from other adults shows us that they are well-deserving of all of the praise. They have led, supported and scored Sports Day to the highest of standards - well done!

For your information, the Year 2 Sports Day has been rearranged for next Tuesday morning (17th June) so Mrs Sutton's class will need to come into school ready in their PE kit on this day.

Unbelievably, they have still managed to squeeze lots of learning into their busy timetables: they have focused on speech to show character in writing; in Science, they have explored the difference between Aristotles and Linnaeus classification system; they have located the Americas using Atlases in Geography and also done lots of singing practice for the Year 6 play! A reminder that costumes need to be in by Monday 30<sup>th</sup> June please.

## Attendance

### Attendance matters.

Coming to school on time, every day is vital to achieving the best possible outcomes as well as learning good habits which will benefit everyone in the future. Below is this weeks' attendance.

#### EYFS

Miss Cousins	86.7%
Miss Scott	90%

#### Year 1

Mrs Allenby	92.3%
Miss Scuffham	94.3%

#### Year 2

Mrs Stubbings	99.6%
Mrs McGuinness/Mrs Tipple	96.9%

#### Year 3

Mrs Clayton/Miss Elliott	96%
Mrs Wadley/Mrs Rowe	98%

#### Year 4

Mrs Smith/Mrs Winspear	97.9%
Mrs Murphy	93.9%

#### Year 5

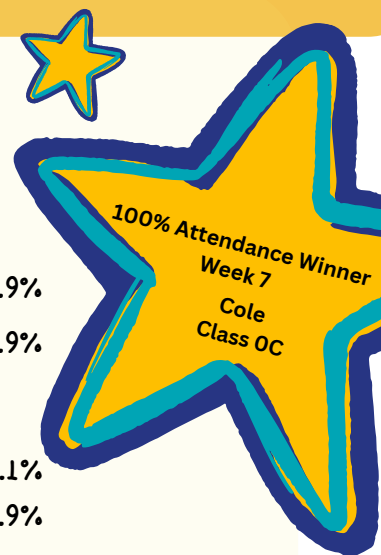

Mr Bolton	97.1%
Mrs Gortzak/Mrs Winspear	95.9%

#### Year 6

Mrs Bates	98.3%
Mrs Sutton	96.8%

### Week 8 attendance winners

Congratulations to  
Mrs Stubbing's Class

## Other News

### Raffle Tickets

This week you should have received Raffle Tickets for the hugely popular Summer Fair Raffle. This year's prizes are AMAZING...please return ticket stubs and payment to school before 4<sup>th</sup> July.

### Sports Day Results

Following the rescheduling of the Year 2 Sports Day to Tuesday 17<sup>th</sup>, Sports Day results will be shared next week.

### Crazy Hair Day

2S celebrated winning another Attendance Reward by having a Crazy Hair Day this week. We loved seeing everyone's crazy hair!!

### Athletics

A mixed Year 5 and 6 athletics team enjoyed a brilliant afternoon at Bramcote. Lots of personal bests and a win in the 100m sprint for Mylo and the javelin for Travis. Their support for one another showed true Newby spirit.

### Football

A mixed year 5 and 6 boys football team competed in the SFS 7 a-side tournament on Thursday, getting to the quarter finals. Excellent attitude from all of our players and some shooting that Ronaldo himself would be proud of!

## Safeguarding

Ensuring our pupils are safe and well looked after is our key priority.

**Sarah Tipple**

Assistant  
Headteacher  
Designated  
Safeguarding Lead

**Ellie Cousins**

EYFS Teacher  
Deputy Safeguarding  
Lead

**Helen Wardman**

Inclusion Manager,  
Deputy Safeguarding  
Lead

**Tom Wriglesworth**

Headteacher,  
Deputy Safeguarding  
Lead

All staff have received Safeguarding training to ensure that they can recognise signs and symptoms of abuse and also how to report/act if a disclosure is made.

Concerns about the safety or welfare of a child? **Contact us:** 01723 365686
