

# Scalby School

*being the best we can be*

Dear Y7 Parents/carers,

Firstly, we hope that your child has had an enjoyable first week with us at Scalby School. We understand that the transition to secondary school is a big step and I know many students will still be finding their feet in their new surroundings. This is completely normal, and we are dedicated to supporting your child in the weeks, months and years ahead. Our new Y7 have been a credit to you and their primary schools. We have been delighted to see so many students looking incredibly smart talking so positively about their first few days. They have been extremely respectful and engaged in their learning. They have made a great first impression and I thank you for your support in that.

As part of our transition experience, we would like to invite you to a Y7 parents welcome evening on Thursday 26<sup>th</sup> September 2024. During this evening you will listen to a talk from the headteacher, Mr Robertson, and have the opportunity to speak to the HOY7, Mrs Langmead and SLT. The evening is designed to welcome you to Scalby as well as setting the expectations and standards of Scalby School. We decided this talk would be better placed after your child had started with us in September rather than back in July at the transition evening.

To attend this event, you must use the link below. This link will also be sent out to you using the MCAS app. There are two separate sessions available to book. Both sessions will be exactly the same, we hope that this allows you the opportunity to find a session that works around your schedule. This evening is for parents, you do not need to bring your child with you, but you are welcome to do so.

I look forward to seeing you all soon.

Yours sincerely,

Mr Philliskirk
